

# Connecting First Nations Care

## Project ECHO network

**Aim:** To highlight the patient care journey through services and systems, and to problem-solve challenges to connected care for First Nations young people and their families.

*This interprofessional community of practice is led by:*

**Dennis (Moppy) Conlon** – Acting Director, Deadly Ears Program, Children's Health Queensland

**Kyana Gartrell-Hardy** – Paediatric Integrated Systems Coordinator, Institute for Urban Indigenous Health/CHQ

**Dr Jason King** – Senior Medical Officer, Gurriny Yealamucka Health Services Aboriginal Corporation

**Ben Lehmann** – Team Leader, Mental Health Clinical Care Coordination, Accoras

Sessions include a brief presentation, and an opportunity to share a local challenge to seek the advice and support of the group.

We welcome colleagues from health, education and human services sectors.

**Mondays 12 – 1:30pm, session every 4 weeks**  
**17<sup>th</sup> April – 10<sup>th</sup> October 2023**
