

# Family Wellbeing

## Project ECHO network

Join this continuing interprofessional community of practice led by:

**Renae Majcen** – Program Manager, Child Protection & Forensic Medical Service, Children's Health Queensland

**Karen O'Donnell** – Principal Program Officer, Office of the Chief Practitioner

**Janice Boyd** – Principal Advisor Student Protection, Department of Education

**Elaine Tanaka** – Cultural Practice Lead, Key Assets

**Stephanie Ernst** – Nurse Practitioner Candidate, CPFMS, CHQ

**Mission:** To build a village of professionals from health, child safety, education and other partners to share successes and problem solve challenges in our work together responding to children who have been abused and/or neglected.

Sessions include a case or scenario discussion, and short presentation on a topic according to three themes:

- Staff wellbeing
- Early intervention
- DFV and child protection

**9:30-11am, 3<sup>rd</sup> Tuesday of the month**  
**21<sup>st</sup> February – 21<sup>st</sup> November 2023**
